

Say Goodbye to Wrinkles and Fine Lines

Rozgé™ Ceramide-C™ gives instant results

with effective anti-wrinkle ingredients. Ceramide-C™ helps reduce the appearance of fine lines and wrinkles by restoring the skin's Ceramide. Once the skin has absorbed the serum, skin is softer, silkier and luminous. Used once a day, each capsule is concentrated enough to cover the face, neck, upper chest and both hands. This fragrance free serum absorbs quickly and easily without a trace of shininess. Both men and women can use this anti-aging serum to give skin a healthy, luminous, youthful glow.

Restore skin's youthful glow and tone

naturally without harmful chemicals or toxins. Natural plant extracts combat signs of aging and help protect skin against harmful UV rays.

BENEFITS:

- Smooths fine lines
- Non-Scented
- Absorbs quickly
- Leaves skin silky smooth after first use
- Gives skin a healthy, glowing appearance
- Helps even out skin complexion
- Good for both men and women

KEY INGREDIENTS:

Ceramide III
 Reinforces the skin's natural protective lipid barrier, helping the skin retain moisture

Rosehip Extract
 Nurtures and repairs damaged skin cells by stimulating the production of healthier skin cells

Squalene
 An antioxidant that helps prevent UV damage and the formation of age spots

Orange Blossom
 Increases circulation and skin cell regeneration for a luminous complexion

Evening Primrose
 Evens out skin tone and strengthens the elasticity of skin

Annatto Extract
 Contains a high level of carotenoid with antioxidant properties

HOW TO USE:

Use one capsule daily, morning or night. Apply on cleansed skin, before application of makeup or other moisturizer. Ceramide-C can be used over the face, neck and hands. Only use a small dot for each area -- one dot goes a long way. Twist or cut capsule tip with scissors and apply a very small amount to the desired area.
