

All Natural, Wild-Crafted, Organic Ingredients

Rozgé™ Lip Gloss heals and protects

lips naturally with a combination of natural, organic and wild-crafted ingredients, to provide hydration, color and shine. Each color option is made to be opaque while going on smoothly and giving shine. There are over 22 different shades to choose from, a color to match all personalities and complexions. Each lip gloss comes with a light up wand and side mirror, providing the perfect package for easy application.

This non-toxic, safe formula

contains shea butter, jojoba oil, safflower oil, aloe vera, and sunflower oil to soften and smooth you lips. Dragon's Blood, a remedy dating back to ancient Roman times, works to heal dry, cracked lips, while making them softer, and smoother. Added benefits include increased cell rejuvenation, vitamin delivery to the lips, and a reinforced moisture barrier, helping lips lock in moisture to fight damage from harmful UV rays.
