

Bend, not break.

**Ultra light for gorgeous, healthy workable hair.**

Made with essential oils, the HairClinic™ Plus Moroccan Argan Oil Treatment softens thick and unmanageable hair. Key components nourish color treated or damaged hair, while providing protection against environmental factors. The weightless formula reduces product buildup on the scalp. Dry, itchy scalp is moisturized as the hair treatment delivers nutrients to make hair softer and manageable.

**BENEFITS:**

- Made with essential oils
- Softens thick and unmanageable hair
- Restores shine and softness
- Strengthens brittle, dry hair
- Provides nourishment for color treated or damaged hair
- Eases itchy, dry scalp

**KEY INGREDIENTS:**

**Flaxseed Oil**  
 Rich in alpha linolenic acid (ALA) and omega-3 fatty acids that help halt hair loss and strengthen hair follicles.

**Argania Spinosa Kernel Oil**  
 Argan Oil is known as liquid gold for hair. It treats damaged hair, restores natural shine, hydrates hair, and is rich in omega-3 and -9 acids.

**Jaborandi Leaf Extract**  
 Provides hair with necessary nutrients and vitamins, for a favorable environment for hair growth. It strengthens the hair shaft to prevent loss.

**Geranium Oil**  
 Tones the scalp and regulates sebum secretion, making it great for all hair types. Hair becomes silky and smooth with Geranium Oil.

**INGREDIENT LIST:**
